

KINGDOM COURTS

Banners

We are offering fund raising opportunities for teams and individuals by soliciting businesses to place their banner at Kingdom Courts. For \$500, the banner will be hung for one calendar year. Half of the proceeds can be designated or credited to a team or individual's account.

Kingdom Courts, home of AZ Sky Volleyball Club, is the first and only volleyball facility in Arizona. Each year there are over 220 families involved at Kingdom Courts thru junior volleyball programs. Kingdom Courts also hosts USAV, private, charter and home school tournaments where on average over 10,000 are in attendance each year. Ample opportunities exist for your advertisement to be seen. Banners must be provided with payment in order for Kingdom Courts to process your request. All checks should be made payable to Kingdom Courts.
