

GENERAL GUIDELINES

Skill coaches are assigned to provide players with more position training at NO extra cost. In addition, the time can also be used to make up missed practices. Players (all ages) not with Sky can also attend training at \$15/session

1) 3rd practices are mandatory for Travel teams, optional for Regional teams. Schedule 6 practices or more as needed to get your team/individual ready.

2) National players can make up missed practices with another National team of same caliber or higher. **Advance approval is required.**

3) Regional players can make up missed practices with any team or by attending CVP Sunday skill training. **Advance notification is required.**

COACHES: DO NOT cancel practice without prior approval by management. Coaches should get a substitute and compensate the sub accordingly.

COACHES: DO NOT scrimmage during regular practice time without prior approval by management. Fri/Sat and Sun can be used for scrimmage.
